

Barrier Buster of the Month

While we know change is hard, did you know IDDSI provides everything you need to support IDDSI implementation?

IDDSI is a global initiative to improve the lives of the 590 million people around the world living with dysphagia. There are over 50 local reference groups supporting its use and over 20 different language publications of the framework. Join the IDDSI community and **change** your dysphagia practice for the better in 2023!

Build **awareness** in your team by signing up for the monthly IDDSI [newsletter](#). Understanding the strong [evidence-basis](#) of IDDSI and the need for safety is sure to lead to a **desire** to implement it. The vast number of available [webinars](#) and [resources](#) will give you the **knowledge** to succeed. Convenient [audit sheets](#) and affordable [funnels](#) ensure you have the **ability** to improve outcomes for people with dysphagia. What better way to **reinforce** what you have learned then joining other IDDSI-enthusiasts at [IDDSI Fest!](#)

2023 IDDSI Canada Festival

Join us on October 26, 2023 for a full-day, interactive IDDSI experience at Humber College in Toronto. Sample IDDSI-compliant products. Meet vendors. Be inspired by IDDSI success stories. Changing your dysphagia practice to IDDSI has never been so easy or so fun. [Register](#) today!
