

If you are creating a website, webpages, blogs or products about IDDSI:

- Please **DO NOT USE** the IDDSI logo in websites, webpages, blogs or products that are not officially produced by IDDSI to avoid giving the impression that your visitors have navigated to the official IDDSI website or that the website, webpages, blogs or products have been created by, endorsed or certified by IDDSI.
- Please include a **clearly visible statement** on the homepage of the website or webpages its intent and purpose and indicate ‘**This site is NOT the official IDDSI website**’ and refer the visitors to **www.IDDSI.org** for the most current information and resources.
- The IDDSI framework (language specific) can be included with the appropriate copyright and CreativeCommons license citation as show in image below:

© The International Dysphagia Diet Standardisation Initiative 2019 @ <https://iddsi.org/framework/>
Licensed under the Creative Commons Attribution ShareAlike 4.0 License <https://creativecommons.org/licenses/by-sa/4.0/legalcode>
Derivative works entering the public domain are NOT PERMITTED.

Modification of the IDDSI Framework is DISCOURAGED and NOT RECOMMENDED.

- Avoid or limit inclusion/posting of any resource materials or videos that are already housed on the IDDSI website or IDDSI YouTube channel. This is to avoid the material being out of date if the material is updated or changed. **Links to the IDDSI materials are recommended.**
- IDDSI resources and publications are freely available on the IDDSI website. IDDSI discourages the sale of any material or resources that are freely accessible.
