United States IDDSI Reference Group Newsletter for March 2022

You asked and the USIRG answered! IDDSI 101 educational videos are now available.

NEW RESOURCES for educating your team!

Courtesy of the Education Workgroup, the USIRG has published a series of focused videos specifically for administrative leadership, food service workers/CNAs/caregivers and healthcare professionals.

FREE ACCESS to the USIRG educational videos can be found through IDDSI.ORG, selecting "United States" at the bottom of the screen and scrolling to section 4, Tutorials and Trainings.

Each video runs 5-20 minutes, hosted on YouTube in an .mp4 format. Voiceovers from volunteers on the USIRG provide background and rationale for IDDSI diets, discuss information on how IDDSI improves safety, and review available IDDSI resources for implementation planning and success.

Pop a bowl of popcorn and settle in to watch and learn from this growing library of resources!
