New Zealand Adoption of IDDSI

**MONITOR**

**Aware**
- 1 June 2017
  - Build awareness across facilities/sectors to all impacted clinicians, professional associations and their boards, industry, administrators, government, supply chain and support staff
  - Communicate who, what, where, when, why & how impacted

**Prepare**
- 1 September 2017
  - Assess processes and protocols that may need to change
  - Approve product changes, prepare materials/inventory/computer management
  - Train clinicians, stakeholders and all staff involved

**Adopt**
- 1 January 2018
  - Introduce new IDDSI system to commercially ready to use, pre-packaged goods and at facility level and in food service chain
  - Transition and integration
